

Robocall Mitigation Program (RMP) Description (REDACTED VERSION)

Organization: Rathinam College of Arts and Science (Autonomous) **Date:** January 14, 2026

1. Introduction

Rathinam College of Arts and Science (Rathinam TechZone – Research Group) is a recognized educational institution. We utilize voice-only services strictly for academic coordination, international research collaboration, and student placement drives.

2. Voice Traffic Use Cases

Our voice communication is limited to:

- **Faculty Coordination:** Internal reminders for academic meetings.
- **Research Collaboration:** Updates for international research partners.
- **Placement Drives:** Informing students about interview schedules.

3. Business Verification Details

- **Legal Entity Name:** Rathinam College of Arts and Science (Autonomous)
- **CIN:** [REDACTED]
- **GST:** [REDACTED]
- **PAN:** [REDACTED]
- **Address:** Rathinam TechZone Campus, Coimbatore, Tamil Nadu, India.

4. Mitigation Steps and Procedures

- **Know Your Customer (KYC):** As an educational entity, our identity is fully verified with our service providers. Detailed registration documents have been submitted in the confidential filing.
- **Call Content Monitoring:** All automated voice scripts are pre-recorded and reviewed to ensure they are professional and informational.
- **Anti-Spoofing Measures:** We use only authentic, registered institutional numbers. We do not practice "spoofing" or manipulate Caller ID information.
- **Targeted Communication:** We do not engage in high-volume telemarketing or promotional "blasts." All calls are transactional or informational for our stakeholders.
