Robocall Mitigation Practices

VOZTRIX LLC has implemented a robocall mitigation program consistent with 47 CFR § 64.6305. Our program includes the following measures:

1. We verify the identity of all customers before providing service (KYC).
2. We monitor call traffic for unusual calling patterns that may indicate robocall activity.
3. We block or suspend accounts generating illegal or spoofed calls.
4. We respond fully to traceback requests from the FCC, law enforcement, and the Industry Traceback Group within 24 hours.
5. We cooperate with other carriers to identify and mitigate illegal robocall sources.

Compliance Statement

VOZTRIX LLC certifies that it has not been prohibited from filing in the Robocall Mitigation Database and that it will maintain and enforce its robocall mitigation program to prevent illegal traffic.
