

Robocall Mitigation Program

Company Name: SLM Sistemas SA de CV

FCC Registration Number (FRN): 0037992823

SLM Sistemas SA de CV is a Foreign Voice Service Provider and does not originate illegal robocalls.

The company does not operate as a U.S. domestic voice service provider and does not originate calls directly on the United States public switched telephone network (PSTN). Calls are originated outside the United States and are delivered to U.S. networks through upstream voice service providers that are responsible for STIR/SHAKEN authentication.

SLM Sistemas SA de CV implements reasonable robocall mitigation practices, including monitoring outbound traffic patterns, responding to abuse or traceback requests, and cooperating fully with upstream carriers and regulatory authorities to prevent unlawful robocall traffic.

SLM Sistemas SA de CV is not subject to a STIR/SHAKEN implementation obligation under 47 CFR § 64.6301 and maintains this robocall mitigation program in compliance with 47 CFR § 64.6305.
