

303 Technologies, Inc

FCCFRN: 0029530177

Date: 2/20/2026

This is a notification that 303 Technologies, Inc. is in the process of shutting down operations. 303 Technologies, Inc. has 1 client left on the platform that will be relocated to another Coredial/Skyswitch Corenixa platform provider: LPS (lpsav.com).

This is in the process and should be completed in the next couple of months.

In any event: We do monitor the incoming and outgoing calls of the clients and have never experienced any issues with abuse with incoming or outgoing calls.

If there are any questions, please contact myself, Kevin Thomas at the below contact information.

Thank you in advance,

Kevin Thomas
