

An Operating Unit of **TEST X**™

Robocall Mitigation Plans

Test X LLC

dba Futurevoice, Orion Communications and Total Systems And Communications
1057 First Street
Rockville, MD 20850

FRN: 0023797806, 0022161418

- We are a white label reseller of services through the Coredial / SkySwitch Network
- All calls that originate on the SkySwitch network are subject to a robocall mitigation plan
- SkySwitch and Test X LLC are Commitment to respond to Traceback requests
- STIR/SHAKEN has been implemented on the UCaaS Coredial / SkySwitch platform
- We are a reseller / partner of voice services on the SkySwitch network (BCM One)
- SkySwitch has implemented STIR/SHAKEN in its UCaaS platform.

We certify that we are a reseller of voice services on the Coredial / SkySwitch network and attest that the services we sell through the Coredial / SkySwitch have implemented STIR/SHAKEN on the IP portions of their networks.

All calls that originate on the network from our customers are subject to a robocall mitigation program on the Coredial / SkySwitch platform.

A handwritten signature in black ink, appearing to read "P. Castillo".

Pedro F Castillo
President
Test X LLC
