

## Robocall Mitigation Compliance

Computer Parts & Electronics, Inc.

Computer Parts & Electronics, Inc. ("CPE") offers limited VoIP services to small to mid-sized business end-users as part of its computer services.

Computer Parts & Electronics, Inc., a small business reseller (the voice service provider), submit this robocall mitigation certification and attached Robocall Mitigation Plan pursuant to Section 64.6305 of the FCC's rules.

CPE provides:

"STIR/SHAKEN

CPE has fully implemented STIR/SHAKEN. All calls that the CPE originates are compliant with Sections 64.6301(a)(1) and (2) of the Commission's rules.

TRACEBACK

CPE commits to cooperating with the Commission, law enforcement, and the industry traceback consortium in investigating and stopping any robocallers that use our service to originate unlawful robocalls. CPE will respond fully within 24 hours to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and cooperate with such entities in investigating and stopping any robocallers that use our service to carry, process, or originate robocalls.

ENFORCEMENT

All voice traffic that originates on our network is subject to the attached Robocall Mitigation Plan. CPE has never been the subject of a formal Commission, law enforcement, or regulatory agency action or investigation with accompanying findings of actual or suspected wrongdoing due to transmitting, encouraging, assisting, or otherwise facilitating illegal robocalls or spoofing, or a deficient Robocall Mitigation Database certification or mitigation program. CPE has not been prohibited by the Commission from filing in the Robocall Mitigation Database."

KNOW YOUR CUSTOMER

- Limiting a customer's capacity via call per second and/or concurrent session limits;
- Regularly checking call patterns for possible abusive traffic;"
- CPE only provides phone services to long "good" standing customers that uses CPE computer services.

CPE reserves the right to modify and/or supplement this Robocall Mitigation Plan to adapt to risks and to improve the overall effectiveness of our program.
