

Robocall Mitigation Program

Company Name: Atlas Horizons Travel LLC

- The company does not originate calls directly to end users in the United States and operates as a non-gateway intermediate provider.
- We do not have a STIR/SHAKEN obligation.
- We follow a robocall mitigation program which includes:
 - Monitoring of traffic
 - Detection of suspicious and fraudulent calls
 - Blocking and prevention of illegal robocalls
 - Immediate action against suspicious traffic
- We cooperate with law enforcement and traceback requests within 24 hours.
- All traffic is monitored and filtered to prevent illegal robocalls
