

IDRAK AI LLC FCC RMD Robocall Mitigation Plan NON-CONFIDENTIAL VERSION

Company Information

IDRAK AI LLC
EIN: 98-1712044
Responsible Representative: Sheikh Abdul Qadir MBR
Address:
34 N Franklin Ave STE 687 Unit 2138
Pinedale, WY 82941

Source document: IRS EIN confirmation letter dated January 26, 2023.

Robocall Mitigation Program Purpose

IDRAK AI LLC maintains a compliance program designed to prevent misuse of communication services for illegal robocall activity and to support responsible voice communication operations.

Customer Verification and Compliance

IDRAK AI LLC applies reasonable customer and partner verification measures, maintains business records, and requires users of its services to comply with applicable telecommunications laws and regulations.

Acceptable Use Policy

Services must not be used for fraudulent, deceptive, abusive, unauthorized calling, illegal telemarketing, or misleading caller identification practices.

Traffic Monitoring and Response

The company reviews traffic activity for suspicious patterns and may investigate, restrict, suspend, or terminate services when compliance risks are identified.

Traceback Cooperation

IDRAK AI LLC cooperates with authorized traceback requests, regulatory inquiries, and lawful investigations while maintaining appropriate records.
